

LEHMAN, GREGORY

Physiotherapist – Kinesiologist – Chiropractor
Curriculum Vitae (updated August 2018)

CONTACT INFORMATION

Phone: 416 528 9771
Address: 26 Woodfield, Toronto, ON
CPO Registration #: 14441
CCO Registration #: 4611
grehmanphysio@gmail.com
grehman.ca

EDUCATION:

- | | |
|------|--|
| 2010 | Master of Science Physiotherapy , Queen's University, Kingston, ON |
| 2003 | Doctor of Chiropractic (D.C.) , Canadian Memorial Chiropractic College, Toronto ON |
| 1998 | Master of Science, Kinesiology (Spine Biomechanics) , University of Waterloo, ON
Supervisor: Dr. Stuart McGill |
| 1996 | B.Sc. Kinesiology (Summa Cum Laude) , McMaster University, Hamilton, ON |

LICENSURE/REGISTRATION

- | | |
|------|---|
| 2003 | College of Chiropractors of Ontario (# 4611 – Status – On Hold) |
| 2010 | College of Physiotherapists of Ontario (#14441 – Status - Active) |

MEMBERSHIP IN PROFESSIONAL ORGANIZATIONS

Canadian Physiotherapy Association

CLINICAL EXPERIENCE

- | | |
|--------|---|
| 2014 - | Instructor and Developer – Reconciling Biomechanics with Pain Science
(www.grehman.ca) <ul style="list-style-type: none">• 12 hour Continuing Education seminar designed to encourage the promotion of the Biopsychosocial model of rehabilitation into a traditionally biomedical practices• Instruction on therapeutic neuroscience education• Taught in 5 continents and more than 10 countries world wide |
|--------|---|

Dr. Gregory Lehman, BKin, MSc, D.C. MScPT

- 2014 - **Course Developer – Running Resiliency**
- Teaching a 2 day seminar course on best practice management of the injured runner
- 2010 - 2015 **Physiotherapist & Chiropractor - The Urban Athlete, 505 Eglinton Ave. W**
- Part of a multidisciplinary team treating all orthopaedic musculoskeletal injuries
 - Particular emphasis on running injuries and chronic pain using a biopsychosocial model
 - Therapeutic approach can be seen at www.painphysiotherapy.ca
- 2012 - 2016 **Physiotherapist & Clinical Director of Run Well Program – MedCan, 150 York St**
- Clinical director of Run Well – 3D Kinematic Gait Assessment Program
 - Providing patient care for all musculoskeletal conditions
- 2011 - 2012 **Physiotherapist – Institute for Sports Medicine, 230 Brown’s Line, Toronto**
- 2003- 2010 **General Chiropractic Rehabilitation Practice**
- Owner/Operator of Performance Health Studio. Active private practice involved the provision of treatment and rehabilitation programs of mechanical, degenerative and traumatic musculoskeletal problems of the back, neck and extremities. Patients primarily include sports injuries and chronic pain
 - Independent evaluations and functional capacity evaluations performed for insurance companies on persons sustaining injuries in motor vehicle accidents or having long term disabilities and for various Assessment Companies.
 - Ergonomic assessments performed for industry and insurance companies
- 2008-2010 **Physiotherapy Clinical Placements**
- Hotel Dieu Hospital: Upper Extremity Specialty Clinic
 - Kaymar Rehabilitation: Home Care
 - Brockville Physiotherapy and Sports Injury Clinic
 - Kingston General Hospital: In Patient Orthopaedics
 - St Mary’s of the Lake: Hand Injury Clinic and Pulmonary Rehabilitation
 - One to One Physiotherapy
- 2004-2007 **Chiropractor and Conditioning Specialist, Queen’s University Women’s Hockey**
- 1997-1998 **Strength and Conditioning Specialist, Sir Wilfred Laurier Men’s Basketball Program**

CONTINUING EDUCATION COURSES/CREDENTIALS

- 2015 **CB-CFT – with Peter O’Sullivan**
- 2014 **Classification Based – Cognitive Functional Therapy: Kieran O’Sullivan**
- 2014 **Building the Ultimate Back, Prof Stuart McGill**
- 2012 **Graded Motor Imagery: Noigroup with David Butler**
- 2011 **The Sensitive Nervous System: Noigroup**
- 2010 **Movement Systems Impairment Course: Shirley Sahrman**
- 2009 **Spine Motor Control Course: Professor Paul Hodges, McMaster University**
- 2009 **Contemporary Acupuncture Provider: McMaster University**
- 2008 **Progressive Goal Attainment Program: Toronto, ON**

Dr. Gregory Lehman, BKin, MSc, D.C. MScPT

2006 **Certified Fitness Consultant:** Canadian Society for Exercise Physiology
2004 **Certified Strength and Conditioning Specialist,** NSCA

AWARDS/SPECIAL HONORS

Recipient: Ontario Chiropractic Association Professional Service Award (2006): Research

National Sciences and Engineering Research Council (NSERC) Graduate Scholarship (1996-98) \$33,800

CMCC Internal Research competition: *Spine Biomechanics Infrastructure Funding* (2001) \$20,000

Canadian Society for Exercise Physiology Gold Medal for highest academic performance in Kinesiology (1996)

TEACHING EXPERIENCE

2007-2008 Professor, Occupational Health and Wellness Course
St. Lawrence College

2003-2008 Assistant Professor, Graduate Studies and Research Department,
Canadian Memorial Chiropractic College (part time)

2003 – 2004 Tutor, Clinical Diagnosis. CD 1301, CD2301, CD 3303
Canadian Memorial Chiropractic College (part time)

2001-2004 Ergonomics Guest Lecturer, Undergraduate Program in Biomechanics, Canadian
Memorial Chiropractic College

2000-2008 Lecturer & Course Coordinator, Graduate Studies and Research Department,
Canadian Memorial Chiropractic College (CMCC)

Course Title: *Spine Biomechanics and Research Instrumentation* GS 507
Course covered an indepth investigation into the research behind injury biomechanics,
spine stability, ergonomic principles and rehabilitation concepts

RESEARCH EXPERIENCE

2000 – 2008 Research Associate/Assistant Professor, Graduate Studies and Research, Canadian
Memorial Chiropractic College (CMCC)
This appointment involved the designing, conducting and publishing of
biomechanical research projects, equipment acquisition and training of students in
conducting biomechanical research.

1998-1999 Clinic Scientist, University of Waterloo-Canadian Memorial Chiropractic College
Research Clinic, Waterloo ON
